

The Richard Welbury Trauma Case Report Prize

Submission guidelines

Dental Trauma UK would like to acknowledge and celebrate good practice in the treatment of dental trauma and have created 3 case report prizes of £100 each **plus** free entry to the annual conference for successful candidates.

Case reports submitted must be original and have not been previously published in a peer review journal or presented at a previous scientific conference/meeting.

Case report submission is limited to one per person in any given year and the lead author must be a member of Dental Trauma UK.

Case reports are encouraged to share good practice in any aspect of the management of dental trauma.

All submitted reports will be uploaded to the Dental Trauma UK website for all members to view and should be submitted in the format below with the radiographs and photographs inserted in the relevant section of the report.
